Here and Now

Now is the time, here is the place. When it comes time, it is now. The place where you are is where it is to happen. Ministry is where your two feet are. Ministry is where your heart is. Ministry occurs wherever the need is. Usually we are waiting for later, tomorrow, another time. Be careful. Even so, the events of tomorrow will become the events of today as today becomes another yesterday, tomorrow. So as the day rolls into view, and you put your feet back on terra firma, work to make a lasting impression. Be very present. Everything will occur for you in the now moment, everything will be here at the same time. Don't miss it. So many people are all over the map—so many thoughts, dreams, ideas, often well and good, though rarely planned and executed. People often fail to plan, thus they really are planning to fail. GOD has a schedule, a plan for this world, and everyone in it, including you. You must not miss it. As the day unfolds, be most present and accounted for. Accomplish everything in the moment by being very much in the here and the now. Later will come. Now has come. Tomorrow will come. Today has come. Where are you now? What does it look like? How does it feel? How much of your resources are present and accounted for? We can make a far better showing for GOD by being here with HIM and getting things done now for HIM.

The Heart of The Matter

Isaiah 60:1 Arise, shine; for thy light is come, and The Glory of THE LORD is risen upon thee.”

GOD has not forgotten you. HE has not left you. Reach for HIM, take hold of HIM. Never let HIM go. HE will be better than your best dreams, greater than your wildest imaginations. Learn HIS Ways, trust HIM, rest in HIM. With GOD, everything, everything is going to be alright!.

Awareness

Awareness of all things is vital to the Christian. Awareness of things physical-soulful-spiritual. Being aware is a matter of being more alive, more in touch with life, more in touch with GOD. JESUS could walk right past some people without them

even noticing HIM because they refused to be aware of the life around them and THE GOD WHO created them. They live dead; unaware and thus not alive and in touch with that aspect of life. How sad. How terribly unnecessary. Many live in their own

perceived protective cocoon that is really their own tomb. They live dead, rarely aware and in touch with the real life outside of themselves and the life they could live, the life they should live but the life they don't live because *they refuse to live. They refuse to be aware.*

Focus

Be very focused. Your energies and attitude must be laser-like, not all scattered over time and space. The light that shines into ones eyes when he or she opens them in the morning is the same light at a certain amplification that will cut through steel.

Interesting. It is often the lack of focus that brings defeat, it is often the lack of good persistent focus that ensures not finishing what one started, not completing what you began. You must focus without distraction; completing what you began. Keep your eye on The GOD Goal.

Focus. The details and the terrain may change and vary, but not THE GOAL. Keep closing the distance, even if the direct line is not a straight line. GOD must ever be in focus, and you must ever get closer to HIM. Focus.

For HIS Glory

Did you know

That JESUS is not GOD THE FATHER, as some groups out there profess today. There are many proofs. Let us illustrate one here. In The Torah, one needed two or three witnesses to establish a matter (Deuteronomy 19:15). In John 8:13-18, we see YESHUA HIMSELF using The Torah to demonstrate that HIS witness is not alone, that THE FATHER WHO sent HIM is with HIM and bears witness of HIM. If GOD The Father and GOD The Son were one and the same, there would not and could not be two witnesses here,

but there would be only one, which would invalidate the very argument JESUS HIMSELF is using and then it would validate The Pharisees' argument that HIS witness was not true because HE had only one witness, HIMSELF. JESUS answers The Pharisaical argument by first stating the absolute veracity of HIS Own Witness as opposed to theirs, and then with a coup de grace, answers that HIS other witness is GOD THE FATHER, thus two, and They are in total agreement. Awesome. GOD!!

Your Hebrew Lesson

The Hebrew Language is The Language of The Bible, it is The Language of GOD. The twentieth letter in The Hebrew Alphabet is the resh. It 's deeper intrinsic meaning deals with: head, highest, most important. It represents the number 200. Remember, Hebrew is

an alpha-numeric system. For example, the word: head in The Hebrew = rosh. It literally means: head. So The Letter always encapsulates the intrinsic meaning. As an example, let's look at The Resh section in Psalm 119:153-160. Verse 160 says: " The head of your word is truth

and for forever is every righteous judgment of yours." Note the first word starts here with a resh, and it is the word rosh. Thus, the first part would mean that the head, the highest, most important aspect of your word is truth. *And that's the truth.*

Rev 22:12

"And, behold, I come quickly; and my reward is with me, to give every man according to what he has done."

What do you say when

someone you love does something that is wrong? When someone you love has lied to you? When someone you love has betrayed your trust and relationship with them? First pray for them to walk right with GOD, to come under a strong conviction,

to be aware of The very Presence of GOD. Then, set it in your heart, that what they did is wrong, dead wrong. Decide to work towards the best, yet understand that the decision to change is theirs, only theirs. Some will change for the better,

others will not give up their sin. Resolve that you continue to do right before GOD, while recognizing they may choose to forever do what is wrong. Do not let what they do change you; you be the strong one, the loving one, and represent CHRIST to them.
