Closing the gap

Keep closing the gap; everything that you do should push you forward towards your GOD-Goal; keep closing the gap. Let nothing deter you; let nothing stop you; you're on a mission; complete it. Keep, keep the goal in view;; never lose sight of it. Keep it on your mind; keep it on your heart. Never let it go. Do not drop it; hold it. Wear it upon your shoulders like backpack that you will feel the weight of it with every step; sitting standing, lying down, or rising up. Keep it like a vest on your chest that you feel constantly with your heart; with your every breath. Do not stop; do not hesitate, and never, I repeat; never retreat. Don't stop moving forward; closing the gap. It was worth starting; it is worth finishing. It was set before you as a GOD Task to finish, then start, continue, and close the gap. Each day you should note progress. Each day there should be a change for the better. T's worth it; it's truly worth it. Keep it in view from the inside. Sometimes you don't feel you're progressing, but you need to know that you are progressing. When you are believing GOD, obeying HIS Word, doing everything in faith operating through love; then know you are advancing. Believe. Trust. Know. You see HIM more clearly, and love HIM more dearly and are able to worship HIM more sincerely. This will happen always as you move forward, and close the gap to your goals. Close the gap, people; and keep getting closer; till you have arrived.

The Heart of The Matter

Isaiah 60:1 Arise, shine; for thy light is come, and The Glory of THE LORD is risen upon thee. ”

GOD has not forgotten you. HE has not left you. Reach for HIM, take hold of HIM. Never let HIM go. HE will be better than your best dreams, greater than your wildest imaginations. Learn HIS Ways, trust HIM, rest in HIM. With GOD, everything, everything is going to be alright!.

Focus

Focus, focus your attention, focus your energy; hone your sense with purpose; keep the goal in mind, and in heart. Never shift off course. Do not waiver; and do not make excuses. Become better than laser light in your focus; so that nothing, nothing can disturb, attract you away or detract you

from your GOD-Goal Task. You are born for a purpose; your life must be then be always purposeful. “Do not turn to the right or left. Remove your foot from evil.” Proverbs 4:27. Keep becoming sharper in your focus. Hear better, see better, understand better. As you get closer to your goals full

accomplishment, your life's' details will get clearer. But to get there, there must also always be determined focus to bring all your energies and resources together in order to move forward and get closer to your goal and arrive. Focus brings clearer perception, and understanding. Focus will help you get it done.

Distractions

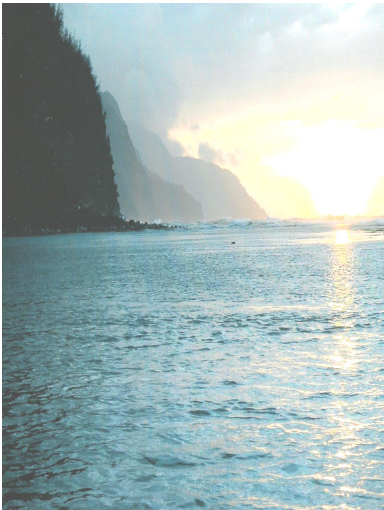

Distractions occur frequently, and if you're not careful, all the time. Yet they are external, even if they cross your mind. That is an important point to remember. They do not become part of you unless you respond to them, react to them, choose them. You just give

them no energy, no thought, no place to land, no home in your mind, no root in your soul. Release them, do not hold them, dismiss them. Let your no be no, and then they have no place in place in you. Matthew 5:37, and John 14:30. John 14:27. Do not turn to

the right or to the left, turn your foot from evil. Proverbs 4:27. The more attracted you are to GOD then the distractions will attract you *to that degree*, less. The more you are in love with GOD, the more everything else will pale, and fail to attract you, in comparison. **For GOD is incomparable.**

For HIS Glory

Did you know

That the truth will set you free? Well not exactly. This is often how John 8:32 is misquoted. The whole verse is really: “And you will know the truth, and the truth will make you free.” Now let’s see in better, through Hebrew eyes. “To know” is a verb, and in Hebrew, it does not mean just to know intellectually, but to know experientially, as ‘Adam knew his wife.’

He knew her intimately: body-soul-spirit. So for us to fully obey and realize The Command in our lives, we need “to know” the truth experientially; then we will be doing this verse in actuality. Thus the command is that when you experientially know the truth, the truth that you know experientially will set you free. You live it, and it gives you freedom. Amen.

Rev 22:12

“And, behold, I come quickly; and my reward is with me, to give every man according to what he has done.”

Your Hebrew Lesson

Look at The Beloved Psalm 23, at one aspect of verse two (verse one in English). The Lord is my shepherd, I shall not lack. This is better translated: “THE LORD is my SHEPHERD, I shall not **lack**.” This deals with a deficiency, something that we do not have. THE LORD HIMSELF is our Shepherd, so we will not lack anything.

We will not lack or be deficient in anything. What a promise. Also note that it is a future tense, thus we will not lack; our future is secure. GOD promises us a future and a hope; Jeremiah 29:11, one in which HE gives us peace, and not calamity, a future and a hope. What a promise! Realized by those who put their active trust in HIM!! Hold

on to GOD, hold on to truth. Look to realize GOD and HIS Truth, to be free. Experiencing truth, the truth that in HIM you have no lack. “**And in HIM you are having been made complete, WHO is The Head over all rule and authority.** Colossians 2:10. What a promise! IT is for you,

What do you say when

people ridicule you, seeking to diminish, defame, detract from, and mock? Give no fire to falsehood; know who you are, and who you’re not. GOD already knows you. Your true friends know you, and you must know you. **Look at the ridiculous as ridiculous.** It is trying to get justification. Give it none, do not seek to

defend what needs no defense. See it as ridiculous and treat it as such. Dismiss it. Kill it by giving it no fuel, no energy, no space, no place, and no time. Push forward to the truth; reach past it, beyond it, and keep moving forward. They will try to drag you back into the

dirt. Get out of range, be a moving target; never lose your true focus. Stay with the truth that makes you free. Give it nothing, and take from the enemy everything. Give them no room to breathe, attack, plan, plot, gain any advantage whatsoever! It is ridiculous to entertain the ridiculous.
