The End from The Beginning

This is how you actually do most things, you begin with the end, and then work towards it from it's beginning; and ideally, as long it is birthed of GOD; you succeed. The clearer the view of the end, the better each beginning will be. It must be clear, concise, precise, enough for you to have a clear view, a good understanding to know what is required of you that gives you the strength, the vision, the understanding to keep you on track with this two point reference, hold on to it, do not let it go, follow GOD with it and through it as it must end up bringing you closer to HIM. As you get closer to your end point, remember, it becomes the the genesis point to take you to the next step; to a greater glory, to a greater faith, to a greater love; it must all be done in love and with love for it to be of true lasting value at all. GOD will determine your steps, and anoint you for the purpose and give you The Plan as you need to the degree that you need. Trust HIM, follow HIM, and pursue HIM, and run, yes run your race! HE is your ultimate Goal; HE is THE END. All end-points that He has journeyed you on will end up closer to HIM WHO is THE END; MASHIACH is The Goal of The Torah for righteousness to every one who believes. Romans 10:4. Do not just think what you have to do; think and pray about what has to get done; know The End Point, know The GOD Goal; know where you're going, and stay on GOD's Track. You do this in small things, in big things, in various things; now you need to do this in all things, and make sure that your 'all things' are GOD's. Keep running your race, keep fighting the good fight, keep your faith strong. By knowing the end from the beginning and going from the beginning to each end we can grow stronger-more faithful-and ever more glorify GOD!!! Amen!!

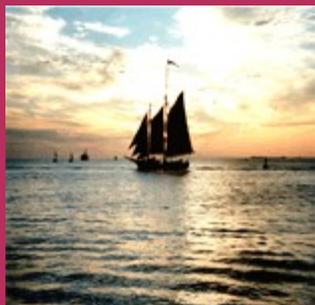

The Heart of The Matter

Isaiah 60:1 Arise, shine; for thy light is come, and The Glory of THE LORD is risen upon thee.”

GOD has not forgotten you. HE has not left you. Reach for HIM, take hold of HIM. Never let HIM go. HE will be better than your best dreams, greater than your wildest imaginations. Learn HIS Ways, trust HIM, rest in HIM. With GOD, everything, everything is going to be alright!.

The End...

‘Things in time and space come to an end; which was always to be... you need to know its end to know where to end, finish, and complete, the task, job, adventure at hand... it must be known, it must be clearly seen, understood, and envisioned. Being realized every step of

the way... until the last step, which is the final step, the step of completion, the fruition, of all that has gone on before, the apex, it’s zenith, is truly done. A sense of completion will fill you, a sense of ‘done’ will rise up in your soul; and it will be well, bringing a smile to your

face, and satisfaction to your soul. The world and place of your influence will be blessed by your reaching the end of your GOD appointed and anointed task; you will hear a “well done”, when you have finished your race! Amen AMEN!

The Beginning...

It all begins in the beginning. You must begin. Even when you know the end, you will never get there, unless you begin. And where do you begin? It must be the first point of the end. It is subtle, but it will become obvious. Unless your begin-

ning is the beginning to an end, a specific end, you may well have just started to veer off course from the beginning, and thus, to that degree you will be off course. You must have a clear view of the end, and a true beginning is intrinsically part of the

end; being the first part. So you must make a solid, clear, intended beginning that brings you exactly that far in the direction of the end, having that much of the end in it; and then you would have accomplished a true beginning, having well begun your task.

For HIS Glory

Did you know

Biblical Prophecy has a 100 % success rate? It has been 100 % true in It's accuracy and detailed fulfillments. GOD will Return, He has Promised, HE has said so, thus it will be so, HE told us something as an End Point that we would and should know from The

Beginning when it was said to the apostles in the first century and written to all HIS believers throughout all centuries, that HE will return; first in the pre-tribulation rapture, and then at The End of the tribulation to put it to an end. Be there with HIM!!

Rev 22:12

“And, behold, I am coming quickly; and MY reward is with ME, to give every man according to what he has done.”

Your Hebrew Lesson

One of The Hebrew Words for: end, as In: The End, in Hebrew is: Sof: Spelled: Samech-Waw/Vav-Pey Sofit. It is rich in meaning. The meaning we will address here is, letter by letter: *To support and establish the intensely spoken.* This means

that: an end; is designed to support the process, to arrive fully at that which the final-eternal word that is spoken by The Mouth of GOD. This is the more essential sense as applicable to GOD and HIS spoken Word. Thus, the End of a

word, something, which was it's beginning, in which the end is embedded, and being fulfilled every step of the way to the fullness realized as and at the end which is that which *supports and establishes HIS spoken WORD!!! Amen.*

What do you say when

people say to you: There is no life after you die? OR all people go to heaven, not only Christians? That would be great, but it is not so. JESUS said so: John 14:6, Acts 4:12; but all are invited: John 3:16. All covenants of all time have been through THE SON of GOD, for The very Word: Breet = covenant, in Hebrew, de-

mands The Following CHRISTOLOGICAL Interpretation: THE SON's work of Covenant on The Cross. Thus, all covenants are through THE SON, and if someone was faithful to that Covenant, they will be in heaven; as evidenced in Matthew 8:11, where “YESHUA HIM-SELF says that Abraham and Isaac and Jacob will recline

with HIM in The Kingdom of The Heavens. They were Jews. They lived long before The New Testament of The First Century; but they believed in HIM through The Covenant that they were given and were faithful to That Light through which they came to know HIM and accept HIM; HalleluYAH! GOD is Awesome.
