SEE

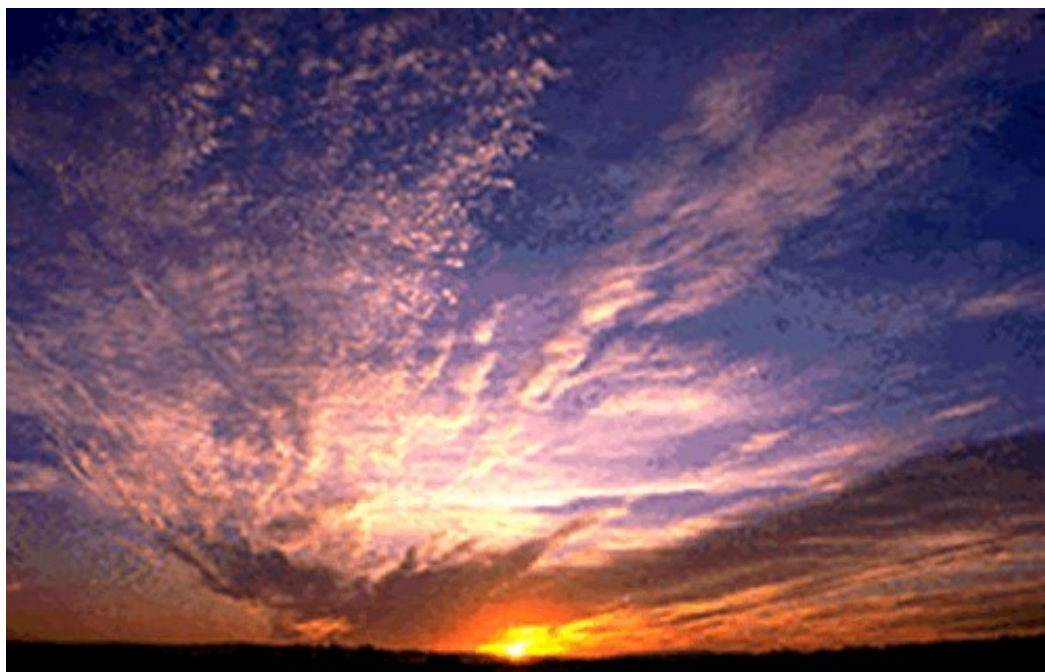

To see; what a concept, what a gift! The world opens up, when you see; see what we mean?! Seeing occurs on many levels. We see with our senses, we perceive through our eyes, we perceive with our soul, and our spirit, who we really are, truly sees into other realms.

Our physical eyes perceive much, but is conditioned by our brain and overridden by our mind.

Seeing is not necessarily believing; truly believing is seeing, when we address issues of faith. Through true faith, which is based on and expressed through The Word of GOD; The bible, we see eternal principles and everlasting truths which stand firm in heaven. Psalm 119:89.

It is this truth, when you see It; when you truly 'get it', when It is taken into your soul, when It rules in your heart, Colossians 3:15, you can grow into THE One WHO desires our Oneness with HIM, our Union with HIM, our cleaving to HIM; in all areas, in all ways: John 17, 1 Corinthians 6:17, Deuteronomy 10:20.

Most of us who have even the blessing of seeing with our eyes, often miss much even in the world because we are not "paying attention" to it; thus you can look in a given direction, be distracted, and not really "see" on a conscious, appreciable level what is right in front of our eyes; like the blank look while watching TV, where actually the TV is 'watching' you; we need to pay attention to truly see ; see?!

The Heart of The Matter

Isaiah 60:1 Arise, shine; for thy light is come, and The Glory of THE LORD is risen upon thee.”

GOD has not forgotten you. HE has not left you. Reach for HIM, take hold of HIM. Never let HIM go. HE will be better than your best dreams, greater than your wildest imaginations. Learn HIS Ways, trust HIM, rest in HIM. With GOD, everything, everything is going to be alright!.

To SEE

To see with the eyes, to see with the heart, to see with the eyes of faith; all require seeing, different levels, all related , all different.

Your physical eyes and brain are required to see the physical world, and perceive it's intricacies.

Keep your eyes sharp

with good food, excellent nutrition, and eye exercises. Stay sharp.

To see with the heart is a whole new world: The heart rules. You will see at a whole new level, literally into the heart of the matter. You will see into the past, you can see into the future, you can perceive

where the physical eyes alone haven't gone.

To see with the eyes of faith is to change the world, starting with oneself, for “ as a man believes in his heart, so is he.” Proverbs 23:7. We walk by faith not by sight: 2 Corinthians 5:6; Remember faith has its own eyes.

or Not To SEE

To not see is to be deprived of a great gift, physically and spiritually. Other sense will compensate, and can help to varying degrees, but The Plan is To See; See?!

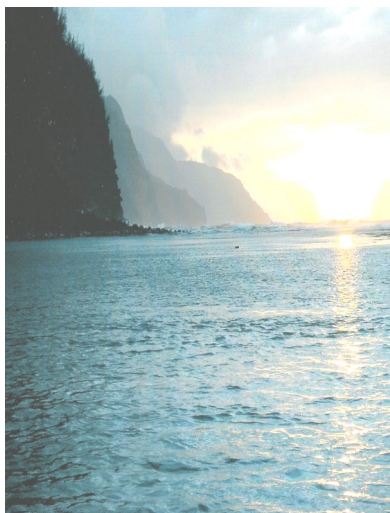

Not to see is to be blind, blind to the

world, blind to other peoples problems and needs. Blind also to what someone is saying; for have we not ever heard: ‘don't you see what I'm saying?! Why don't you' get it', why can't you see what I mean, see what I mean?!

Not to see is not to connect, not to join with, not to flow with and into another. We must join-we must connect- but first we must truly see. Love GOD first; then love oneself second, as GOD loves you; and then love another as yourself...See?! Do It.

For HIS Glory

Did you know

GOD told the disciples of John: "Come and SEE..." Notice the two parts: First you must come, then you must see. In Life, you must first: Show Up! Be there! Get there! If you don't get to where you are supposed to be, then you can't do what you are supposed to do. You must move from

where you are to where you are supposed to be... and continue to so, each day, every moment, be where you are supposed to be, get to where you must get to; then see! Open your eyes! Open your soul! Open your being to see-apprehend—and realize all that GOD is showing you. Open the eyes of your heart. Now.

Rev 22:12

"And, behold, I am coming quickly; and MY reward is with ME, to give every man according to what he has done."

Your Hebrew Lesson

What does The word "SEE" mean in Hebrew? It is very interesting. The Whole Word is : Leerot = To See. The First Letter means: Teaching, authority. The Next Letter means: highest, most important. Then the next three Letters of The Word form a sub Word, Which is: Ot= Sign, as in

a DIVINE Sign! Thus, The Word: To see, in Hebrew, means, at a deeper level: The authoritative Teaching of The Most Important Sign!. That is fantastic! It touches so many Scriptures, We would need a book, to begin to do It Justice. For example, in John 3, Nicodemus is told by YE-

SHUA that unless HE is Born again from above, he will not even be able "to see = Leerot" The Kingdom of GOD. Without Being regenerated, he could not see –understand The Teaching of The Sign of GOD to man, Isaiah 7:14, The A Sign of GOD-Man, GOD becoming a man for us. Come and See

What do you say when

You can't see-get-understand what people are saying and not saying to you?! You need "to SEE" both; to really know what is going on in their soul; and THE HOLY SPIRIT will Guide you, Teach you, and Lead you into "Al The Truth". John 16:13 Look deeper, examine more closely, withhold judgment, place your heart on

the matter. GOD will reveal all you need to see; all you need to know. The first step is knowing what you don't know. The second is not assuming what you do know is all there is to know, Third, remove your own views and opinions, cultural and societal influences, environmental affects, anything that can sway you

from hearing and Seeing "The Truth of The Matter." You stand in GOD; removed from all extraneous influences. Against the rigorous demands of Truth, all error and else will far by the wayside; never to be seen again. Now you can hear-now you can see-now you can help someone-now you can Honor GOD. SEE?!
